CITY OF PEACHTREE CITY

INTEROFFICE MEMORANDUM

TO: Mayor and Council Members

VIA: Jon Rorie, City Manager 
Paul Salvatore, Financial Services Director *P.S.*
Kelly Bush, Assistant Finance Director
Angela Egan, Purchasing Agent *ae*

FROM: Mike Madison, Stormwater Manager *MM*

DATE: May 31, 2019

SUBJECT: 2019 Stormwater Pipe Rehabilitation Project – CIPP Pipe Group A and
FY19 Budget Amendment
June 4, 2019 Special Called Meeting and Workshop

Recommendation:

Staff recommends that City Council award the bid for the 2019 Stormwater Pipe Rehabilitation Project – CIPP Pipe Group A to Federal EC, LLC for their unit cost base bid amount of \$587,392.00 along with the attached budget amendment to assign renewal and extension funds to project.

Discussion: The existing storm drainage pipes selected for this cured in place pipe lining bid are exhibiting various types of structural degradation including severe invert corrosion, holes in the pipe inverts and failing pipe joints. Trenchless pipe rehabilitation is the best option to repair the observed failures in that it can be quickly installed and provides a structural component without having significant excavations and/or road closures. Therefore, staff solicited unit cost bids from qualified contractors to perform the rehabilitation work. The results of this bid are as follows:

Federal EC LLC	\$587,392.00
Vortex Services	\$599,724.00
Lanzo Trenchless	\$626,864.00
Southeast Pipe Survey	\$688,717.00
Gulf Coast Underground	\$983,581.00

Budget Impact:

Funds in the amount of \$354,612.00 are available in the Stormwater GL #521-4250-541947-SW-00047 and in Stormwater Renewals and Extensions with approval of the attached budget amendment.

CITY OF PEACHTREE CITY

BUDGET AMENDMENT

19-13

06/04/2019

[illegible]

NOW, THEREFORE, BE IT RESOLVED that this Council hereby amends the Fiscal Year 2019 Budget Resolution increasing both Revenue and Expense in the Stormwater Fund \$810,906 to assign renewal and extension funds to pipelining project

DATE: May 31, 2019

SUBJECT: 2019 Stormwater Pipe Rehabilitation Project – CIPP Pipe Group B
June 4, 2019 Special Called Meeting and Workshop

Recommendation:

Staff recommends that City Council award the bid for the 2019 Stormwater Pipe Rehabilitation Project – CIPP Pipe Group B to Vortex Services for their unit cost base bid amount of \$578,126.00.

Discussion: The existing storm drainage pipes selected for this cured in place pipe lining bid are exhibiting various types of structural degradation including severe invert corrosion, holes in the pipe inverts and failing pipe joints. Trenchless pipe rehabilitation is the best option to repair the observed failures in that it can be quickly installed and provides a structural component without having significant excavations and/or road closures. Therefore, staff solicited unit cost bids from qualified contractors to perform the rehabilitation work. The results of this bid are as follows:

Vortex Services	\$578,126.00
Federal EC, LLC	\$627,083.00
Lanzo Trenchless	\$662,735.00
Southeast Pipe Survey	\$746,804.00

Budget Impact: Sufficient funds are available in Stormwater Renewals and Extensions with approval of budget amendment 19-13 attached to New Agenda Item 06-19-01.
