Old Agenda Items

New Agenda Items

A. 07-24-01 Feasibility study for conducting our Municipal Elections

Motion to establish an "Election Feasibility" committee comprised of:

- One City Council member
- Two Peachtree City citizens with knowledge and experience in elections, including: election laws, election rules and election procedures
- Two relevant subject matter experts, well versed in election laws, rules, procedures and election integrity issues (not necessarily from Peachtree City)
- Plus two city staff who are "non-voting" members, because they can gather data without the need for Open Records Requests; could post notices, take minutes and ensure compliance with Open Meeting laws; and help write up the findings and data to be presented to City Council

Thus, a committee with a total of 7 members, but only 5 who vote on committee decisions
